### What makes TMDSAS unique?

### Making the path to medical school a reality for Texans.

www.texasjamp.org

### **TMDSAS Differentiators**

- You can submit your application before letters of evaluation and test scores are sent
- Transcripts required upon request <u>only</u>
- TMDSAS calculates standard letter grade GPAs
- Processing includes state residency determinations and coursework coding and evaluation
- Uniform for all participating member medical institutions
- Flat rate application fee

### Why Is Residency Important?

Texas law classifies each person who applies for admission to a Texas public college or university as:

- A resident of Texas;
- A nonresident; or
- A foreign (international) student.

Texas state law requires that no more than 10% of the entering classes of medical and dental schools can be made up of non-Texas residents.

### **TMDSAS GPA Calculations**

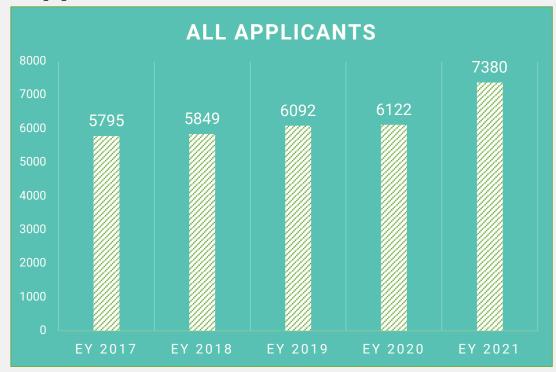

- What's included in my GPA calculation?
  - Your overall GPA is a calculation of all your entered coursework.
  - The BCPM GPA is comprised of all biology, chemistry, physics, and math-based work.
- Why is my TMDSAS GPA different than the GPA listed on my transcript?
  - TMDSAS calculates the flat grade, even if a +/- is indicated on the transcript.
- Your GPA trends matter!

	Fall	Spring	Summer	Cumulative
Pre-Freshman	-	-	-	2.80

## Am I considered a "non-traditional" applicant?

### Defining "Non-Traditional"

Typically, there are two definitions:

- 1. An applicant who is at least 25 years old
- 2. An applicant who has taken a break in education (for whatever reason) or has faced unique circumstances such as changing careers, supporting a family, etc.

TMDSAS allows applicants to self-identify as non-traditional and address how these factors impact your application (1000 characters)

### Myth: I have to go to professional school right after undergrad

### It depends on you

- ✓ Going to professional school right after completing their undergraduate degree
- Enrolling in post-baccalaureate/graduate programs
- ✓ Going on a different path or building your own path
- √ Taking a "gap" or enrichment year (or several)

## How does the TMDSAS Match work?

### Medical School Acceptances

### **Texas Resident**

- Pre-Match offers begin October 15
  - Considered an acceptance to a school
  - Not very common
- Participate in TMDSAS Match
- Rolling admission following Match

### **Non-Texas Resident**

- Admissions offers begin October 15
- Rolling admissions throughout the cycle

### **TMDSAS Match**

TMDSAS Match is conducted to confirm pre-match offers and fill the remaining open slots for the medical schools.

### Pre-Match

- You've secured a match to a medical school
- No pre-match? No problem! You are still eligible

### Your Match Preferences

- Prioritize list of schools you'd like to attend
- If you match to a school that is lower on your list, all schools you listed above remain active. Those below are withdrawn.
- Watch the match video and learn more at TMDSAS.com

## Why is it important to apply early?

Myth: I <u>have</u> to apply early

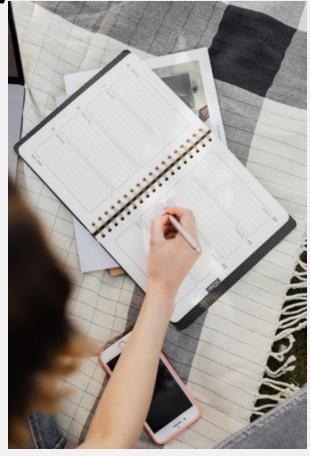

### **HIGHLY ENCOURAGED!**

The TMDSAS application is only the first step

You can submit without letters of evaluation, test scores, transcripts

Many schools will send secondary invitations only after receiving the TMDSAS application

The longer you wait, the less time you have to maximize interview date availability
