

## UNIVERSITY OF HOUSTON STATISTICS FOR ENTRY YEAR 2020

|                                | Applicant Pool | Applicants<br>Matriculated |
|--------------------------------|----------------|----------------------------|
| <b>All Applicants</b>          |                |                            |
| Total Applicants               | 342            | 113                        |
| Average Overall GPA            | 3.55           | 3.77                       |
| Average UG Science GPA         | 3.40           | 3.70                       |
| <b>Medical Applicants</b>      |                |                            |
| Total Applicants               | 245            | 84                         |
| Average Overall GPA            | 3.59           | 3.78                       |
| Average UG Science GPA         | 3.45           | 3.72                       |
| Average MCAT Total             | 23   505       | 24   510                   |
| <b>Dental Applicants</b>       |                |                            |
| Total Applicants               | 92             | 27                         |
| Average overall GPA            | 3.45           | 3.73                       |
| Average UG Science GPA         | 3.27           | 3.65                       |
| Average DAT Academic Average   | 20             | 22                         |
| Average DAT Perceptual Ability | 20             | 20                         |
| <b>Veterinary Applicants</b>   |                |                            |
| Total Applicants               | 5              | 2                          |
| Average Overall GPA            | 3.44           | 3.70                       |
| Average UG Science GPA         | 3.29           | 3.56                       |
